Academic & Extracurricular Highlights:

- Beta Alpha Psi Accounting Honor Society
- Sigma Delta Pi Spanish Honor Society
- Culverhouse LIFT Volunteer
- Shelton State Adult Education ESL Volunteer
- Supplemental Instruction Leader for Introduction to Accounting Course
- UA Club Field Hockey Team

I am incredibly grateful for the continued support of Wings Over America. Receiving the Fallen Heroes scholarship has lifted a huge weight off my shoulders as I navigate life as a student at the University of Alabama. Not having to worry about finances has allowed me to focus on my academics and getting involved on campus and in the community. I have had the opportunity to engage in new experiences and embark on exciting, unique adventures. I've been able to join clubs relating to my majors, continue playing the sport I love, and participate in several volunteer opportunities. This semester, I was able to assist in the completion of a risk assessment for a local, veteran-owned small business; the overall goal being to improve their internal controls and financial reporting accuracy. Having the opportunity to give back to the military community through this experience felt like a full circle moment, as it would not have been possible without the unfaltering support of Wings Over America and their donors. Being selected for a four-year renewable scholarship truly feels like having the support of the entire military community. I know that every step of the way, the WOA family will always be cheering me on. I have a profound respect for the sacrifices that service members and their families make for the sake of our safety and security, and I know Wings Over America feels the same. I am so thankful that Wings Over America and their donors recognize these sacrifices and have found a way to show their appreciation. Any organization such as this one is truly a blessing. Beat Army and Roll Tide!
