I feel incredibly honored to have received a scholarship from the Wings Over America Scholarship Foundation, and I am very grateful for the opportunities this will provide me. I am excited about what the future will hold for me at the College of William and Mary, and this scholarship will allow me to enjoy my time there without worrying about the costs. I am looking forward to my time at William and Mary, where I intend to conduct undergraduate research as a Monroe Scholar and set myself on a pre-med pathway. I am also excited about becoming involved in my new community, and I am eager to make connections that will last for the rest of my life. I know that my first year of college will be a lot, and being away from my family will be hard. However, I am sure that I will be able to grow and thrive in my new home, and receiving this scholarship has provided me with encouragement and support that will help me succeed. I am very grateful for this incredible opportunity, and I will not let it go to waste.
