#### Academic & Extracurricular Highlights:

- Track & Field Teams
- University Interscholastic League
- Health Occupations Student Association
- School Health Advisory Council
- Aledo Athletics Incorporated & Christ Chapel Bible Church - Middle School Ministry Volunteer
- Brookshires Grocery Company

Being from a Marine Corps family, receiving this Wingman Foundation Memorial scholarship is incredibly special to me. I do not take this selection for granted, and I am nothing but grateful for this scholarship foundation. Spending time on a Marine Corps base gave me so many great memories and these times have shaped me into who I am today. Being a military kid has not always been easy, but as I reflect on my past and on the years to come, I am appreciative of the times my father told me to just “toughen up.” His example of stalwart leadership and exemplary determination has given me a wonderful example. Through his service and this scholarship foundation, I am blessed to be able to attend the University of Oklahoma, this upcoming fall. I am going to have the opportunity to study business in world class facilities, grow as a young adult, and become a productive member of society. I am truly thankful for the generous donors and leaders at The Wingman Foundation.
