- Missions Trip to Sweden
- Resident Assistant; Hospitality Coordinator
- Lifeguarding with Campus Recreation

I cannot begin to express my appreciation for your organization. Throughout the journey to Medical School, I have observed in many of my peers' lives that the financial walls are often harsher barriers to overcome than the material presented in the classroom. Your organization has made it possible to focus my attention wholly on the academics rather than become entangled with the practical responsibilities of providing financial means while balancing a rigorous course load. Thank you for this blessing and for the donors who chose to change lives like mine one scholarship at a time. I hope to one day make an impact for others the way the Maritime Patrol Association has made an impact for me. Pass it on.
