With the Theodore Roosevelt Association scholarship I am off with a sense of security going into college. To know that my focus can be centered around learning is incredibly important to me. I am proud of the recognition I have received which will encourage me to work towards my goals. The TRA scholarship will help me be able to move further in my pursuit of my dreams. I plan to work hard and put the donations provided to good use and am thankful for the opportunity you have opened up to me. I am committed to the University of Michigan's School of Music, Theater, and Dance. I plan to major in Music Composition where I will write many pieces of my own. This scholarship helps me achieve my goals of writing my own music and scoring movies professionally. I am incredibly appreciative of the support that the TRA has given me towards my education and proud to be a part of a supportive community.
