Providing College Scholarships to Dependents of the Navy Aviation Community

"Wings Over America is more than just a scholarship check that I receive each year. It is a community of supportive individuals brought together by a shared experience of military service and a desire to succeed through higher education."

Over 30 Years of Supporting Our Navy Families Through Education

"With my recent acceptance into San Diego State University San Bernardino campus this scholarship will allow me to continue my studies in the criminal justice field while also allowing more opportunities at my current job for promotion. Thank you for the support and help with obtaining my goals."— Caitlin Alba, Volunteer of the Year WFW Scholar

In 1987, the AIRLANT Wives Club noticed a need for scholarships within our community. Through a variety of fundraisers, including bake sales and fashion shows, they gave away their first scholarships. In the 30 years since, this Wings Over America Scholarship Foundation has experienced amazing growth in scope and breadth.

Today, through the overwhelming generosity of corporate and individual donors along with the work of our fantastic Board of Directors, volunteers and staff, WOASF has awarded over \$1,800,000 to many worthy college students in almost every state and several overseas bases.

Wings Over America annually sponsors over fifty scholarships to students who have chosen to continue their education. Our scholarships include community college, trade & technical school as well as traditional college scholarships. We offer both annual and renewable scholarships. In addition, WOASF administers scholarships for specific navy commands or communities including Maritime Patrol Association, USS George H.W. Bush, USS Gerald Ford, USS Nimitz, USS Theodore Roosevelt, and VAW/VRC Merit.

Scholars are selected on the basis of scholastic merit, community service, extra-curricular activities and character.

Wings Over America Scholarship Foundation is a non-stock corporation organized under the laws of Virginia and tax exempt under Section 501(c)(3) of the Internal Revenue Code. A financial statement is available upon written request from the Office of Consumer Affairs, Commonwealth of Virginia.

This scholarship has had an enormous impact on my time at Yale. It gives me the freedom to take unpaid internships without worrying about paying for school. I hope to use this scholarship to enable me to take a career in public service so that I can continue my family's tradition of serving this amazing country.
