

# Hannah Wirt

Two Year Scholarship Recipient  
2015 Bachelor of Science in  
Decision Science

## Carnegie Mellon University

*"I am honored to have been selected for a Wings Over America Scholarship. This Scholarship greatly reduces the financial burden of attending Carnegie Mellon University, so that I can maximize time spent on academics and valuable extracurricular experiences. However, the scholarship means more to me than just financial support: it is a reminder of my father's career in the Navy and the sacrifices he made for our country. The scholarship is very special to me because it reflects not only my efforts, but also the hard work of someone I love and respect. I am extremely proud to be the daughter of a former naval officer and honored by Wings Over America's support. Knowing that my education is partly funded by such an outstanding military related organization inspires me to be the best I can possibly be, both in my academic and personal life. Thus, this scholarship has provided me with much more than just financial support. I am very thankful for the Wings Over America scholarship assistance." (2014)*

## Ohio State University Moritz College of Law

I earned a B.S. in Decision Science from Carnegie Mellon University in 2015. After graduation, I worked at the Manhattan District Attorney's office as an Investigative Analyst in the Human Trafficking Response Unit. My experience working for the DA's office was incredibly rewarding, and it inspired me to pursue a career in law.

In 2018, I moved back to my home state of Ohio to attend the Ohio State University Moritz College of Law. I am currently in my second year, and I have interned at the U.S. Department of Justice in Washington, D.C. and U.S. Attorney's Office in Columbus, Ohio. I am excited to continue my career in public service.

I am thankful for the Wings Over America Scholarship Foundation--I know that I would not be where I am today without the scholarship that I received in college. (2020)
