

Funding a College Education

The Virginia Tidewater Consortium's Educational Opportunity Center (EOC) brings you a briefing which will focus on grants & loans from the federal government, state financial aid programs, surviving scholarship searches, and the overall application process

Hosted by the Navy College Office

Open to all military personnel, retirees, family members, and other base employees/personnel. Normal military base access is required.

This program includes information that will assist rising high school JUNIORS & SENIORS, parents of all high school students, adult students returning to college later in life, and others who may be facing the rising expenses of college in the near future

Local scholarship representatives will be on hand to provide information on their awards, and they do plan to stay afterwards to answer your specific questions
