I consider it an honor to be selected as a recipient of this scholarship for 2017. Receiving this generous financial gift will help me continue in my goal to becoming a mechanical engineer and remain debt free while in college. I take pride in my father's service to our country and am grateful to the Wings Over America Scholarship Foundation for assisting in easing the financial costs for military dependents to attend college. Thank you to the VAW/VRC for this scholarship and recognizing my devotion to my education!
