

Wings Over America Scholar

Erik Endacott

Fallon, NV

Iowa State University

Freshman: Agronomy

College GPA: 3.52

Activities:

- Dean's List Fall 2014
- Agronomy and Horticulture Clubs
- Summer Internship: Iowa State University – working with professor researching measuring soil moisture and canopy air temperatures to help the SMAK satellite measure global soil moisture.

I am honored to receive support from Wings Over America Scholarship Foundation as it represents the men and women who defend our country.
