Receiving a 2013 award has meant a lot to me. I am responsible for paying a third of my college tuition and this award has truly helped in that regard. This award will help me continue to pursue going to Brazil in the spring to help build a community center with other UVA students. By being able to reduce the cost of tuition, mission trips like this one are possible. It is not secret that college is very expensive and an amount of scholarships helps. I cannot thank Wings Over America enough for all the help they have given me with this award. It really does mean a lot.
