Statement: I am so happy that I was awarded this scholarship! By receiving this scholarship, I have been given the opportunity to continue my education. My family and I do not usually fit the criteria to apply for scholarships so when we found out about this organization, we were more than pleased! It has given my husband and me pleasure to know that there are organizations that support military members and their families! I have also been able to teach my daughters that hard work and determination will pay off in the end with this scholarship. Thankful, grateful, and blessed, I am by receiving this scholarship!
