

Funding a College Education

The Virginia Tidewater Consortium's Educational Opportunity Center (EOC) brings you a briefing that will focus on grants & loans from the federal government, state financial aid programs, surviving scholarship searches, and the overall application process

Hosted by the Navy College Office and the Fleet & Family Support Center

Open to all military personnel, retirees, family members, and other base employees/personnel. Normal military base access is required.

This program includes information that will assist adult students opting to return to college later in life, rising high school **JUNIORS & SENIORS**, parents of all high school students, and others who may be facing the rising expenses of college in the very near future

Local military scholarship representatives will be on hand to provide information on their awards, and they do plan to stay afterwards for your specific questions
