- National Honor Society
- Anchor Member
- Volunteer: Relay for Life, Sunday School co-teacher, Vacation Bible School
- Year Round Child Care Provided and seasonal Youth Soccer Referee

To me, receiving a 2015 scholarship award has meant the realization of my first grade dreams. Ever since I was in the first grade with Ms. Richardson, I've wanted to be a teacher just like her. This scholarship will help me afford college so that I can get the proper training and education to one day become the teacher I've dreamed of. This scholarship also means that all of my hard work in life and school is paying off. Volunteering extra hours at my church, staying up an extra hour or two to make sure I do my best on my homework and put a lot of time and energy in playing sports.
