This scholarship represents the role my father's service in the U.S. Navy has played in my life. His dedication to this country has inspired me to find ways in which I, too, can serve this nation. I am honored to have the opportunity to continue my education into college with the generous assistance of the Wings Over America Scholarship Foundation. Receiving this scholarship serves as a reminder of my father's commitment and our shared values, and I am very grateful to have this support upon entering college this fall.
