Statement: Winning the Wings Over America “Easy Day” scholarship is an honor and privilege. In this day of age where receiving a quality education is of the utmost importance and when tuition seems to sky rocket each year, financial assistance in any way is something to be happy about. The Wings Over America Scholarship is not just the run of the mill scholarship. To me this scholarship is something to truly be proud of for the fact that my father served his time in the United States Navy for me to even be able to apply for this scholarship. Thank you, Wings Over America and Jeff Garber donors for the financial assistance.
