Statement: The Wings Over America scholarships are so unique, so it means a lot to me that I was chosen to receive one. Education and hard work means a lot to me that I was chosen to receive one. Education and hard work mean a lot to me, inside and outside of the classroom. I put a lot of time and effort into doing the things that I love, so it is extremely rewarding to have that involvement and passion be recognized. It is also very special to me that the scholarship foundation shows appreciation for military families like my own.
