- Year Round Babysitter

I am so thankful and honored that I was chosen to receive A VAW/VRC scholarship through Wings Over America. This scholarship will help me tremendously in continuing my academic career by majoring in Human Nutrition, Food, and Exercise at Virginia Tech. After college and medical school, I aspire to give back to the Navy community by becoming a Navy pediatrician. This scholarship is also meaningful to me because by receiving this scholarship, I am honoring my Dad who has dedicated his life to serving in the naval aviation community and our country for the past 28 years. I am grateful for him for his service and for showing me every day that hard work pays off. Thank you again for selecting me to receive this scholarship, I am forever grateful!
