Lockheed Martin Scholar

## **Marcus Pruitt**

Suffolk, VA

University of Missouri

Major: Computer Science

High School GPA: 4.36

Activities:
- IB Freshman Orientation Group Leader
- Key Club
- International Club
- TSA President
- IB/AP Biology Lab Aide
- Fun Run for the Seeing & Hearing Impaired
- Singing quartet for nursing homes
- Trick-or-Treat for UNICEF

I am very excited to receive this scholarship. The scholarship will be a big help when paying for schooling. Now I can worry less about how to pay for school and more about learning all I can before I join the workforce. This scholarship will also give me the opportunity to live my dream of making simulators for the military. Since the military has been such a majority of my life, I would like to help train our service members to protect this great nation.
